**Subject:** Chloroprene meeting - 11am today?

Hi Richard,

Jennifer requested that a 30 minute meeting be scheduled today with David Gray, John Vandenberg, Tina, Bruce and you to discuss chloroprene responses.

She suggested 11, but you have the hold then. Would you be able to make the 11? The only other available time is 1, but Bruce has a conflict.

Thanks,

Kevin

Richard has holds for something most of today. I put it at 1pm, which conflicts with Bruce's biweekly LCR check-in, but that's the best I can do.

**Subject:** Meeting for 11am today

Nathan,

Jennifer requested that a 30 minute meeting be scheduled today with David Gray, John Vandenberg, Tina, Richard, Bruce and herself to discuss chloroprene responses.

She recommended 11am, but her calendar seems fairly open today.

Thank you,

Megan
